

K 27 i

Premium-Class Foldable Mini Headphones

A perfect marriage of sound and design makes the K 27 i the ultimate mini headphones for any portable music archive.

Incredibly light and with its 3D-Axis design for folding neatly into the supplied leatherette bag, the K 27 i will be ready for use anywhere, anytime. A volume control on the cable lets you set the loudness level as you like it in any situation.

Best for portable MP3, MD, CD players and multimedia.
